

Professional development

Book loan service

Cultural events

Specialized library

Locations

- Edmonton
- Montreal
- Toronto

We offer **books and educational resources**, both printed and audiovisual, to teachers and school administrators.

We establish a **loan system** that allows educational institutions to access library materials and audiovisuals.

We maintain a **permanent display of books and other materials** that could be visited by the different educational institutions.

We organize workshops, seminars and work groups about themes related to teaching of the Spanish language in every of its aspects.
