Evaluación de 6º curso de Educación Primaria

COMPETENCIA LINGÜÍSTICA EN LENGUA EXTRANJERA (INGLÉS)

COMPRENSIÓN ORAL Y ESCRITA
En esta actividad vas a escuchar 🎧 y a leer 📄 una serie de textos y tendrás que responder a unas preguntas. Presta mucha atención.

Algunas preguntas tendrán cuatro posibles respuestas, pero solo una es correcta. Rodea la letra que se encuentre junto a ella. Mira este ejemplo:

**Example 1**
*How many months are there in a year?*
A. 2 months.
B. 17 months.
C. 12 months.
D. 11 months.

Si decides cambiar la respuesta a una pregunta, tacha con una X tu primera elección y rodea la respuesta correcta. Mira este ejemplo, donde primero se eligió la respuesta A y luego la C.

**Example 2**
*How many months are there in a year?*

A. 2 months.
B. 17 months.
C. 12 months.
D. 11 months.

Para otras preguntas te pedirán que completes la respuesta en el espacio señalado. Mira este ejemplo:

**Example 3**
*Write the first month of the year.*

The first month of the year is ___.

En otras preguntas te pedirán si las afirmaciones son verdaderas o falsas. Puede haber varias respuestas correctas.

**Example 4**
The Spanish flag is blue. True / False
The Spanish flag is yellow. True / False
The Spanish flag is red. True / False
The Spanish flag is green. True / False
Kings Island, the largest amusement park in the Midwest.

Primera parte.
“This is the listening test. Part One. You will hear the recording twice. You will hear someone speaking about an amusement park. For each question, answer A, B, C or D. Now you will have twenty seconds to read the questions. (Twenty seconds blank) Now we are ready to start. Listen carefully.”

Choose the correct answer. Only one answer is correct.
1. Where is Kings Island?
   A. East of Cincinnati, Ohio.
   B. West of Cincinnati, Ohio.
   C. South of Cincinnati, Ohio.
   D. North of Cincinnati, Ohio.
2. How many attractions are there in Kings Island?
   A. 8 attractions.
   B. 14 attractions.
   C. Over 80 attractions.
   D. Less than 18 attractions.

3. How many roller coasters are there in Kings Island?
   A. Forty.
   B. Eighty.
   C. Fourteen.
   D. Thirty-nine.

4. The Racer is the name of …
   A. … a famous show.
   B. … a famous roller coaster.
   C. … a big water park attraction.
   D. … a famous building in the park.

5. When does the park close in September?
   A. On Halloween.
   B. On Labour Day.
   C. On the first Monday in November.
   D. On the third Monday in September.

6. When do North Americans celebrate Labour Day?
   A. In April
   B. On Halloween
   C. On May the first.
   D. On the first Monday in September
The Animal Hospital.

Segunda parte.
“This is the listening test. Part Two. You will hear the recording twice. You will hear someone telling a story about an animal hospital. For each question, answer A, B, C or D. Now you have 20 seconds to read the questions. (blank) Now we are ready to start. Listen carefully.”

Choose the correct answer(s)

1. A few weeks ago, the students in Year 6 went on a field ...........
   A. bit
   B. ship
   C. trip
   D. flip

2. Who visited the animal hospital?
   A. Six students and one teacher.
   B. Six students and two teachers.
   C. The students in Year 6 and two teachers.
   D. The students in Year 6, two teachers and a vet.
3. Which of these statements are true and which are false?
   A. Some students want to have a party.  
      True/False
   B. Some students want to pollute the sea.  
      True/False
   C. Some students want to explore the island.  
      True/False
   D. Some students are going to look for sick animals.  
      True/False

4. What did they find on the island?
   A. A big party
   B. More rubbish.
   C. More sick animals
   D. A hidden treasure

5. What can they do to help the animals?
   A. Burn the rubbish.
   B. Explore the island.
   C. Throw the rubbish in the sea.
   D. Pick up the rubbish and take it back home.

6. Why are the students going to be popular at school?
   A. They are going to be on TV.
   B. The school is going to give them a prize.
   C. They are going to be on the newspapers.
   D. They are going to throw rubbish in the sea.

7. The story about the students in Year 6 and their teachers is about...
   A. Vets
   B. Hospitals
   C. Newspapers
   D. Nature and recycling
Jamaica national bobsleigh team in the 2014 Winter Olympics

Bobsleigh is a winter sport in which two or four participants run down iced tracks in a sledge. People in Switzerland invented it in 1870. Their sledges were just a wooden board that they used on iced roads during the winter. Now modern bobsleigh sledges have light and colourful materials (the sledge of the Jamaican bobsleigh team is green, yellow and black) and are very fast. The maximum speed of a bobsleigh sledge in a modern track is 75 miles per hour.

It is very surprising that Jamaica national bobsleigh team participated in the 2014 Winter Olympics in Sochi (Russia). Jamaica is a tropical exotic island in the Caribbean where it never snows and the temperatures are warm. Because of the weather, they cannot train in a real ice track.

This is not the first time that the Jamaica national bobsleigh team compete in the Winter Olympics. In Calgary (Canada) 1988, they crashed over the ice and did not finish the race. However, in Lillehammer (Norway) 1994 they finished in 14th place, their best result ever. In Sochi 2014 they finished in 29th place. Now they want to participate in the next Winter Olympics in Pyeongchang (South Korea) 2018.
1. How many people can run in a bobsleigh sledge?
   A. One or two
   B. One or three
   C. Two or three
   D. Two or four

2. The people who invented bobsleigh were from __________

3. People used the first bobsleigh sledge in the year ________

4. What was the first sledge made of?
   A. Iron
   B. Plastic
   C. Wood
   D. Metal

5. What colours are in the Jamaican bobsleigh?
   Green, __________ and __________

6. A bobsleigh sledge can run at a maximum of...
   A. …75 miles per hour
   B. …80 miles per hour
   C. …85 miles per hour
   D. …90 miles per hour

7. In Sochi the weather is...
   A. …hot
   B. …very hot
   C. …colder than in Jamaica
   D. …warmer than in Jamaica
8. It is surprising that the Jamaica national bobsleigh team participated in Sochi 2014 because...
   A. ...they crashed over the ice
   B. ...it never snows in Jamaica
   C. ...a bobsleigh sledge runs very fast
   D. ...it was the first time they competed in a Winter Olympics

9. What was Jamaica national bobsleigh team’s best result ever?
   A. Calgary (Canada) 1988
   B. Lillehammer (Norway) 1994
   C. Sochi (Russia) 2014
   D. Pyeongchang (South Korea) 2018
LA PRUEBA CONTINÚA EN LA SIGUIENTE PÁGINA
Ejemplo de unidad de evaluación que configura la prueba de la competencia en comunicación lingüística de COMPRENSIÓN ESCRITA: “Geocaching”

Geocaching

Mary: Hi, John!

John: Hi, Mary! What are you looking for?

Mary: I’m looking for a treasure.

John: Really? Is there a treasure here, in the park?

Mary: It’s not really a treasure. It’s a cache. The game is called Geocaching. I am looking for a black plastic box.

John: What is it like? And what’s inside the cache?

Mary: In this case it’s a small box. There are many little things inside. People hide little plastic presents that you can exchange for other presents when you find the box. You must also sign a little book inside the box. It’s called the logbook.

John: Do many people play this game?

Mary: There are millions of people playing this game around the world. It’s very popular.

John: What do you need to play Geocaching?

Mary: You need a modern mobile phone or a GPS receiver to find the treasure.

John: How you know where to look for?

Mary: You need to open a free account to get the coordinates and write a few words about your find. It’s easy!

John: Can children play the game?

Mary: Of course. Everybody can play the game.

John: Why do you enjoy Geocaching so much?

Mary: Because it’s easy, very addictive, you meet lots of new people and see lots of new places.
John: How many caches did you find last year?

Mary: Many, over five hundred.

John: Thanks, Mary. Can I help you find this cache?

Mary: Of course. Look! Here it is!

John: What’s inside! Let me see! Look, there’s a logbook, a little red car, a black pen and some football cards.

Mary: Thanks for helping me. Now, let’s sign the logbook!
1. How many people are talking in the text?
   A. One
   B. Two
   C. Three
   D. Four

2. Mary is playing geocaching in the __________

3. The cache Mary is looking for is a little, __________, plastic box

4. What do people put inside the caches?
   A. A logbook
   B. Many little things
   C. A box, many little presents and a book.
   D. Many little plastic things and a small book.

5. What do you need to play Geocaching?
   A. A treasure
   B. A mobile phone
   C. A modern mobile phone or a GPS receiver
   D. A modern mobile phone and a GPS receiver

6. Can older people play the game?
   A. No, only children
   B. Yes, only older people can play the game
   C. Yes, it’s a game for all
   D. No, it isn’t easy. It’s only for experts

7. Why does Mary like doing Geocaching?
   A. Because you can’t stop playing
   B. Because it’s easy
   C. Because you discover new places and meet new people
   D. Because it’s cheap
8. What was inside the cache they found?
   A. A logbook, a big red car, a black pen and some football cards.
   B. A logbook, a little red car, a black pen and some football cards.
   C. A notebook, a little red car, a black pen and some football cards.
   D. A notebook, a small red car, a black pen and some basketball cards.
